## Humans of Forest V - The Eternal Bond

Nazia is a foster mother to a beautiful girl who is now 10 months old. Nazia got married at a very early age and came to her in-laws place when she was 16 years old. Since then she has been trying to get pregnant but due to her poor health her uterus was unable to hold the baby. To experience motherhood, she adopted a girl from a family who already had five girls and they were expecting a boy.

## Cross Cultural Sharing - Japan & India 2021

Tanya Khera our founder got an opportunity to engage with children from ETOILE in Japan. She shared our work on education, community culture and challenges. It was a wonderful experience to listen in to perspectives from a different culture. The children shared how schools in Japan got opened in the second quarter of 2020 itself. The children have been regular to school with norms in place for day to day operations.
